Graphic designer and layout artist with 5+ years of experience in print and digital publication design, pubmat creation, and social media management. Leads layout production and social promotion for a university student publication, with additional experience designing UI/UX for a startup mobile app and desktop publishing. Proficient in Adobe Creative Suite and Figma.

SKILLS

Design Software: Adobe Photoshop, Adobe Illustrator, Adobe InDesign, Canva, Figma

Design Disciplines: Layout Design, Editorial Design, Pubmat Design, Brand Identity, Typography, Print Production, Desktop Publishing

Other: Social Media Management, Pre-press & Print-Ready Export, PostScript-to-PDF Workflows, Team Collaboration, Deadline Management

EXPERIENCE

Senior Layout Artist

Nov 2023 – Jul 2026

The Kawayan Communicator / Isabela State University – Cauayan Campus

- Lead print and digital layout design for the university's official student publication, from page grids through print-ready export in Adobe InDesign.
- Design pubmats and promotional graphics for publication content and manage the outlet's social media presence.
- Maintain visual and editorial consistency issue to issue, balancing typography, imagery, and white space for readability.

Graphic Artist

Oct 2022 – 2023

The Kawayan Communicator / Isabela State University – Cauayan Campus

- Produced original graphics and illustrations supporting print and digital publication content.
- Partnered with editorial staff to turn article copy into visually engaging page designs.

UI/UX Designer

Sep 2022 – 2023

!Null Team / DOST-TBI Ideatech Program, Cauayan City, Isabela

- Designed the UI/UX for Green Commute, a real-time jeepney tracking, booking, and cashless payment app, during a DOST Technology Business Incubation (TBI) program cohort.

Desktop Publishing Specialist

Aug 2021 – 2022

Sinag Hiraya / Cabatuan, Isabela

- Designed and formatted print and digital publication layouts, maintaining consistent brand identity across materials.
- Prepared files for print production, ensuring consistent formatting and typography across materials.

EDUCATION

BS in Computer Science — Isabela State University – Cauayan Campus (Graduated July 2026)

CERTIFICATIONS

- IT Specialist — Network Security (Certiport/CertNexus, Pearson VUE), December 2024
- TESDA NC II, Computer Systems Servicing (CSS)
